

Don't Let the Enemy In

Land of Color

Verse 1

If you saw a lion, trying to hurt someone you love
You'd fight 'em with your hands, or shoot 'em with a gun
And if you saw a robber, trying to break into your home
You'd hit him on the head, with a hammer or your phone

Pre-Chorus

We take care of our bodies
We take care of our things
But what about these hearts
That we've given to the King

Chorus

Don't, don't, don't let the enemy in
Don't, don't let the enemy in
Don't, don't let the enemy in

Verse 2

If you heard a fox, telling you a lie
You would not believe him, 'cause you'd know that he was sly
And if you saw a serpent, biting at your heels
You'd crush him with your foot, he's only come to steal

Pre-Chorus 2

We take care of our bodies, we take care of our things
But what about these hearts, that we've given to the King

Don't, don't, don't let the enemy in
Don't, don't let the enemy in
Don't, don't let the enemy in

Verse 3

If you met a man who had a kingdom and a treasure
And he gave it all to you, just for your good and for your pleasure
In it, there was peace and joy, and freedom from your strife
Wouldn't you receive it, and guard it with your life

Pre-Chorus 3

You know this really happened
You've been given every blessing
So don't believe the devil's lies
No matter what he's dressed in

Chorus 2

So don't, don't let the enemy in
Don't let the enemy in
Don't, don't let the enemy in

Chorus 3

Oh no I won't, I won't
I won't let the enemy in
I won't, I won't let the enemy in
I won't, I won't let the enemy in
