

SUNDAY SERVICE 1-22-23

This week we looked at Colossians 1:15-23. In Col. 1:10 Paul prays that the Colossian church would be filled with wisdom and understanding of who Jesus is. He then takes the time to lay out several characteristics of Jesus. He wants them to understand the supremacy and the sufficiency of Jesus in their salvation.

1. What do we mean when we say something is supreme? If a person completes a task and we say that is insufficient, what do we mean by that?
2. What do we permit to compete with the Supremacy of Christ in our lives?
3. What happens when we lose sight of the fact that Jesus is in control of all our circumstances?
4. What are the things that we tend to put into our lives when we think Jesus is insufficient?
