

SUNDAY SERVICE 1-8-23

1. In light of the fact that Paul is confronting false teaching at Colossae, read Colossians 1:15-20 and discuss the implications of these verses.
2. If you say you believe in something or hold it as truth for yourself, what does that really mean?
3. Consider Colossians 3:12-16. In this passage Paul addresses the relationship between the Colossian believers. Why do you think it is so important for them to be united in the face of this false teaching?
4. As a group or family, discuss what you believe about Jesus Christ and the Bible. How should these beliefs impact your daily lives.
