

# SUNDAY SERVICE 11-20-22

## DISCUSSION QUESTIONS:

1. In what ways can you fulfill each response to our rescue this week?
2. How can you commit to giving thanks to the Lord in the company of your home, in the congregation of the church, and out in this world?
3. Psalm 111 is an acrostic using the Hebrew Alphabet, using the English Alphabet can you make your own acrostic of all that you're thankful to the Lord for in life and salvation?
4. If you attended Communion, what is the blessing that you experienced there? (see John 13:17) If you did not, can you commit to joining us the next time?
5. What verse in Ps. 111 would be good for you to remember and commit to memory? Discuss why you chose the one you did.
