REFLECTION QUESTIONS

If you are doing Forged & Refined, make sure to discuss at least one or two of these questions during your accountability time.

- We briefly defined the gospel as, **God's plan to redeem sinners through the life, death, resurrection and return of Jesus**. Does this definition fall short? If so, discuss those areas of weakness.
- It was discussed that Christians often see the gospel at the point of salvation and miss its daily power in our lives. Discuss how the gospel impacted your life today.
- We discussed 4 components or building blocks of the gospel: God, Mankind, Jesus Christ, and Our Response. Discuss each of these in your group.
- In God's plan of the gospel, Jesus is the perfect solution. From your understanding of scripture what makes Jesus the perfect and only solution to our sin problem?
