

SUNDAY SERVICE 4-17-22

REFLECTION QUESTIONS

If you are doing Forged & Refined, make sure to discuss at least one or two of these questions during your accountability time.

The resurrection of Jesus is the pinnacle of all of history. Someone once asked what is more important the events of Good Friday or the resurrection on Sunday? Both must work together. A dead savior is of no value. The resurrection is essential to the gospel.

1. Read 1 Corinthians 15:1-9 and discuss the why the eyewitness accounts are so important. What does the resurrection mean in light of the fact that many of these eyewitnesses were killed because of their belief in what they witnessed?
2. Consider 1 Corinthians 15:12-17. What does it mean for us if Christ is not raised from the dead?
3. Why is Jesus the only possible solution to our sin problem?
4. Take a few moments to discuss the many reasons as to why the resurrection of Jesus is so important.
5. Finally, 1 Corinthians 15:50-57 is such an encouraging passage. Discuss how the resurrection provides hope in these words.
