

## SUNDAY SERVICE 4-2-23

### **REVIEW:**

We see the prophecy of the “suffering servant” in the person of Jesus, our Savior, in **Isaiah 53:6**. *“But he was pierced for our transgressions, he was crushed for our iniquities; the punishment that brought us peace was on him, and by his wounds we are healed.”*

### **QUESTIONS:**

\*Knowing that Jesus was pierced and “ground down” for you on the cross:

1. *How does this make you feel about Jesus, your Savior?*
2. *How does this challenge you in your life actions and motives?*
3. *What guilt have you been carrying from past sin which you need to turn over to him? (Turning over past guilt is extremely hard because we typically take it back...So if you are willing, it's good to have another person help you with accountability and challenge you to stay on track. Allow Christ to carry that burden once more.*
4. *How does knowing Christ “paid your sin debt in full” motivate you to serve Him?*
