### REFLECTION QUESTIONS

*If you are doing Forged & Refined, make sure to discuss at least one or two of these questions during your accountability time.*

1. Since creation points to a creator, what do we learn about God from his creation?
2. In what ways does creation let us know that we live in a fallen world?
3. Read **Romans 8:18-25**. What do you learn about creation, those who are saved, and God's ultimate plan?
4. Read **Deuteronomy 8:1-18**. What can cause people to become prideful and turn from God? How can someone be successful and still stay close to God?
5. Read **Ecclesiastes 12:13-14**. Why do you think people are accountable to God?
