## REFLECTION QUESTIONS

1. Read Matthew 9:35-37. What do these verses teach you about having compassion for others and loving others like Jesus did?
2. What are some of the things that hinder or stop you from extending the love of Jesus to all people?
3. How do we develop the passion for others to move past these barriers?
4. Discuss with your family the point of Jesus washing the disciples feet in John 13. Whose "feet will you wash" this week? How might you go about this?
