## MESSAGE RECAP

We sometimes feel that people cannot change. In some cases we can be misled and burned by the supposed change of another. But God is a powerful God and he shapes people - institutes change in their lives for his purpose. Judah, Joseph's brother, has gone from a deceiving "slave trader" to a loyal leader of the family.

## REFLECTION QUESTIONS

1. What do you think was the primary trigger/cause for Judah's change?
2. How significant that Judah offers himself as a substitute for Benjamin?
3. In what ways does Judah point us to Jesus?
