

SUNDAY SERVICE 3-12-23

Review: **Colossians 3:23** - *Whatever you do, work heartily, as for the Lord and not for men.*

Some questions to consider:

1. How can we serve the Lord as we faithfully complete our daily work?
2. How does our work bring glory to God when we are faithful?
3. The Scripture mentions “*slaves and masters*”. There are difficult topics in the Scriptures. When the Bible doesn’t address a topic the way those outside of the faith feel it should, what should our response be? (*Do we need to defend God?*)
4. As an employee, how is your relationship with your boss/supervisor and co-workers? If you are an employer, how is your relationship with your employees? Is there anything that needs reconciled in your relationships at work?
5. Is there a way you can use your gifts to serve the Lord?
